

General Advice Warning

Any advice provided by Trading Floor Online Pty Ltd (TFO) (including its website and representatives) is general in nature and does not take into account your financial circumstances. Before making any investment decision, you need to consider whether the advice is appropriate for your own personal financial circumstances. This might mean that you seek personal advice from a representative authorised to provide personal advice.

Trading options is not suitable for everyone. There is a risk that you can lose more than the value of a trade or its underlying assets. You should only act on our recommendations if you are confident that you fully understand what you are doing.

Past Returns Warning

Past returns do not reflect future returns, and it is also possible to make significant losses. However, there is always a risk of loss when trading and investing. This is general information, and is not prepared for your specific investment objectives, financial situation or needs. Consult a licensed investment adviser before making investment decisions.
